Welcome to Green Guy Recycling!

Please follow the flow of traffic while entering and exiting the property and do not exceed 5 MPH.

WE DO NOT ACCEPT ANY TRASH OF ANY KIND HERE AT OUR FACILITY.

24 HOUR DROP OFF AREA:

This area is open to the public 24/7 for any items to be dropped off for recycling.

SHOP: NON-FERROUS METAL BUY BACK ALL FEE ITEMS DROP OFF

Includes copper, aluminum, brass, radiators, stainless steel, batteries, or any fee items (tires, tv's), etc. Any metal that does NOT stick to a magnet. Please pull in line on the left side of the drive and when it is your turn, you will be asked to back into the shop. Please turn your car off at this time for safety. A Driver's License, DPS issued ID, or ACTIVE Military ID is required by the State of Texas in order to sell regulated metal. Please make sure to have your ID ready.

SCRAP METAL: FERROUS METAL BUY BACK

Includes all tin, junk vehicles, iron, steel, etc. Follow the flow of traffic arrows and enter the truck scale from the North side of the property. Drive on to the middle of the scale and wait until you are given the green arrow , located ABOVE the red number read out **####**. Then, follow the flow of traffic around to the "  Metal Unloading Area". You will be asked to back into the area and turn off your engine. At this time, you may unload the material yourself or an employee will assist. **WE ARE NOT RESPONSIBLE FOR DAMAGE TO VEHICLES IF ASSISTED BY OUR MACHINERY.** After unloading, drive back on the truck scale and wait for the green arrow. If you have a truck/trailer, you may park at the end of the exit drive, making sure not to block any vehicles exiting the area. Otherwise, you may park in any of the compact parking areas and come into the  OFFICE for payment. Please make sure to bring your ID.

- If you have regulated metal, please head directly to the  SHOP and let the employee know you have a scrap metal ticket

RESALE:

We have a resale area located directly behind the shop. If you find an item you like, an employee in the shop or on the premises can make a ticket. If you are looking for an item in the "METAL UNLOADING AREA", you **MUST** have an employee present as no pedestrian traffic is allowed in this area. The inventory changes in resale by the hour, so visit often! We are also on Facebook and Instagram and post resale items frequently so check us out and like our page!
